his first job was to work in
the office

office room is one place
where he work at all
day long.

第一份工作: first job.

work & job 作为"职业"有什么区别?

整天 all the day

① His first Job work.
② He graduated from
college.

⑤ He works in office room all day long.

graduated. He found it boring sitting
When he *graduates* from college and works in the office room, He found it tediously sitting in the workplace all day long.

And he decided *decide to do sth.*
quitting the job and traveling to many places. *quit 就是辞职. He decide to quit.*

↑ He quits the job and begins to traveling.

My father broadened his horizon after being many places. He went home and found another job that he is fond of.

When he finally meet with my mother, he

believed it's time to
settle down.

I'm interested of his
life experience.

wondering what if I
traveled together with
him.

I shall meet various
people not known.

and experience all
kinds of cer scenery

I want to live a life
as my father does.

When time comes, I
will go.
